Databases Mini-Review - 23rd Sept. 1997

2

Overview

- Slow ramp up since last December
 - 1.1 FTE then
 - >6 FTE now
- SCS personnel slow in arriving
 - Strong support from Richard
- Good response from BaBar management
 - Some holes filled by short-term visitors
 - Some holes filled by physicists

9/23/97

 - Job Offer Out
 - 50% Event Store, 50% Online
- Reconstruction
 - Bob Jacobsen, Steve Gowdy, etc.

9/23/97

David R. Quarrie: BaBar Databases - Personnel

Summary

- Reasonable personnel situation after a slow start
- Richard looking for replacement for Edgar
- Online is major hole
- Still concerned at fragmented nature (short-term people)
- Concerned that funding for LBNL people terminates at end of 1998.
