

# Restricted Access Building 620

- Access to Building 620 for work is limited to persons who have taken the BaBar Safety Orientation
- **Work Authorization:** Everyone working in Building 620 must obtain work authorization. Work is discussed and authorized by the authorizing manager at the **7:15 am** or **3:15 pm** meetings in Cornelius. Work is performed under **Safety Watch** oversight.
- **Authorizing Managers** (pagers or cell):
  - Technical Coordinator (Wisniewski)(575-5817)
  - Chief Engineer (Krebs)(849-9425)
  - Operations Manager (Innes)(997-7224)
- **No Casual Entry:** Visits to IR2 during upgrade operations are not allowed except in rare instances the Technical Coordinator may grant authorization.

(Rev. 3 (Down): 8/21/06)
