

# HEPMAD 07

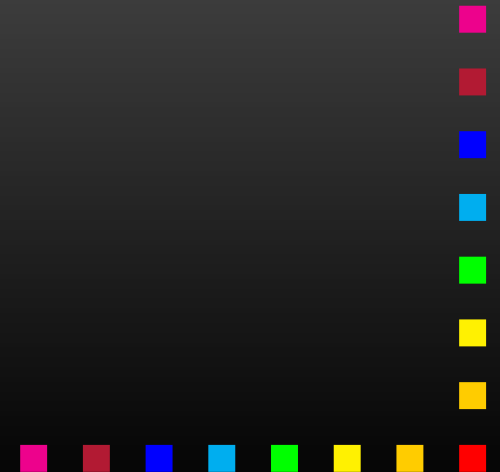

3rd Conference in High-Energy Physics

10-15th September

Antananarivo (Madagascar)

Stephan Narison

CNRS - Montpellier

Thanks to the participants !

**HEP-MAD 07**  
3rd High-Energy Physics  
Conference in Madagascar  
10-15th September 2007 (Antananarivo)

**Scientific program**  
Physics at LHC,  
Perturbative & Non perturbative QCD,  
Weak, rare decays and CP-violation,  
Physics beyond the standard model,  
Neutrino Oscillations.

**International committee**  
J. Ellis (Cern-CH),  
H. Fritzsch (Munich-D),  
U. Gastaldi (Legnaro-IT),  
H. Leutwyler (Bern-CH),  
P. Minkowski (Bern-CH),  
M. Neubert (Mainz-D),  
A. Pich (Valencia-ES),  
E. de Rafael (Marseille-FR),  
J.M. Richard (Grenoble-FR),  
E. Tsesmelis (Cern-CH),  
V. Zakharov (Munich-D).

**Conference secretariat**  
Marie Razafindrakoto  
Laboratoire de Physique Theorique et  
Astroparticules - Case 70  
UM2-Montpellier  
Place Eugene Bataillon  
34095 Montpellier Cedex 05 (FR)  
E-mail: qcd\_hep@yslaboo.fr  
Tel : (33-4) 67 14 35 68 or 67 07 94 68  
Fax : (33-4) 67 14 35 68 or 67 07 94 68

**Chairman of the organization**  
Stephan Narison  
Laboratoire de Physique Theorique et  
Astroparticules  
UM2 et CNRS - Montpellier (FR)  
E-mail: narison@lpta.univ-montp2.fr  
snarison@yahoo.fr

**Local organization**  
R. Raboanary (HEPMAD - Antananarivo)  
S. Rakotofringa (Univ. - Antananarivo)  
A. Ratiarison (LPMS - Antananarivo)  
Association Culturelle Malgache (ACMM -  
Montpellier)

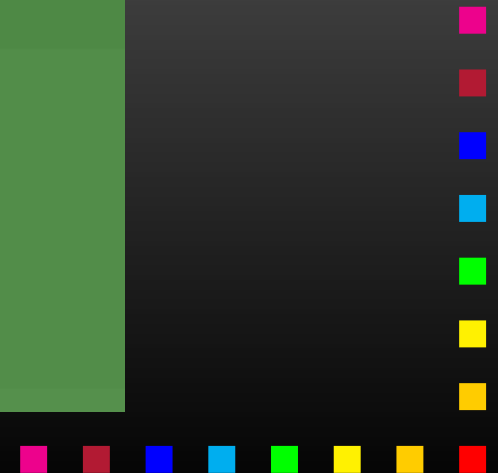

**Deadline for registrations**  
10th August 2007  
**Web address**  
For more informations please consult:  
<http://www.lpta.univ-montp2.fr/users/qcd/>

# *Thanks to the International Committee*

## **International committee**

J. Ellis (Cern-CH),  
H. Fritzsch (Munich-D),  
U. Gastaldi (Legnaro-IT),  
H. Leutwyler (Bern-CH),  
P. Minkowski (Bern-CH),  
M. Neubert (Mainz-D),  
A. Pich (Valencia-ES),  
E. de Rafael (Marseille-FR),  
J.M. Richard (Grenoble-FR),  
E. Tsesmelis (Cern-CH),  
V. Zakharov (Munich-D).

# *Thanks to the Organizing Committee*

## **Local organization**

R. Raboanary (iHEPMAD - Antananarivo)

S. Rakotofiringa (Univ. - Antananarivo)

A. Ratiarison (LPMS - Antananarivo)

Association Culturelle Malgache (ACMM -  
Montpellier)

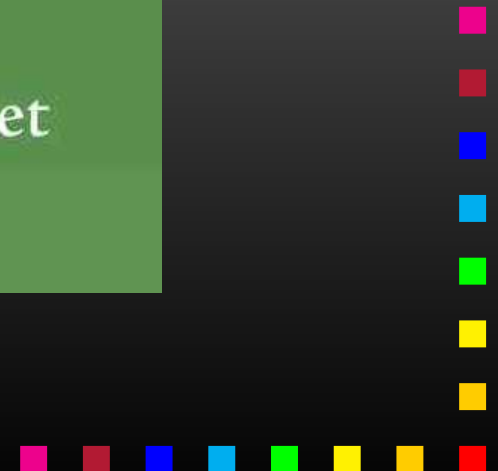

## **Conference secretariat**

Marie Razafindrakoto

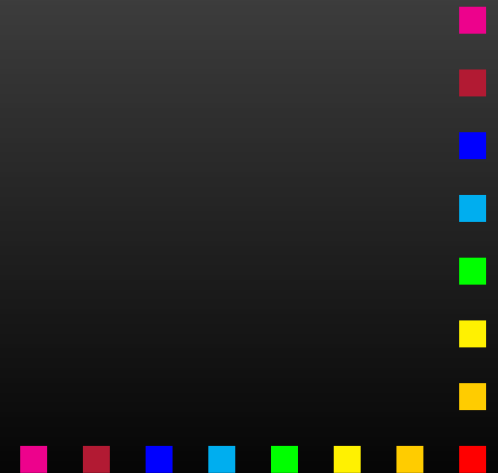

Laboratoire de Physique Theorique et

Astroparticules - Case 70

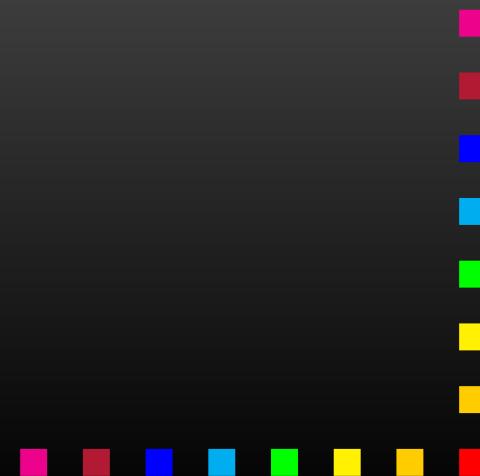

UM2-Montpellier

*Thanks to the Hostesses !*

*Thanks to the Sponsors !*

# *The HEPMAD Conference Series*

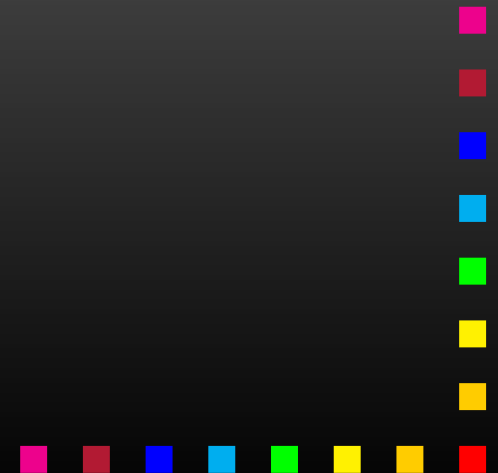

HEPMAD 07:

3rd International HEPMAD Conference in  
Antananarivo

# *The HEPMAD Conference Series*

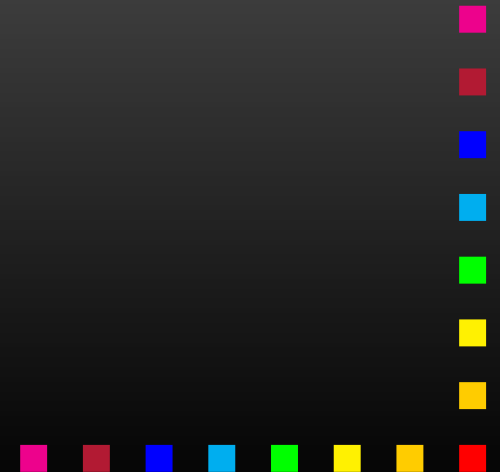

- ♣ HEPMAD 07:  
3rd International HEPMAD Conference in  
Antananarivo
- ◇ Previous International Conferences  
HEPMAD 04 (2004),  
HEPMAD 01 (2001)

# *The HEPMAD Conference Series*

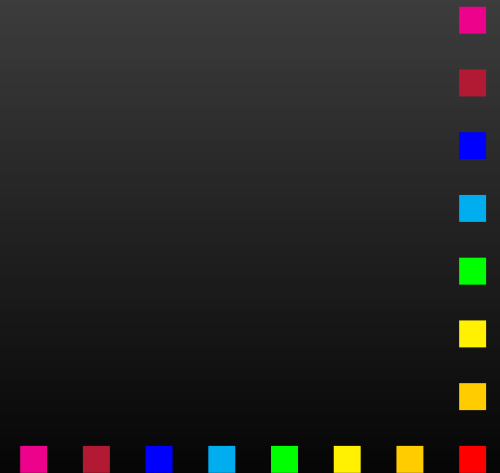

- ♣ HEPMAD 07:  
3rd International HEPMAD Conference in  
Antananarivo
- ◇ Previous International Conferences  
HEPMAD 04 (2004),  
HEPMAD 01 (2001)
- ♡ Every 2 years from now !

# *The HEPMAD Conference Series*

## ⇒⇒ Spirit

- Promote high-energy physics in Madagascar :  
Unique project in the Indian Ocean Region.

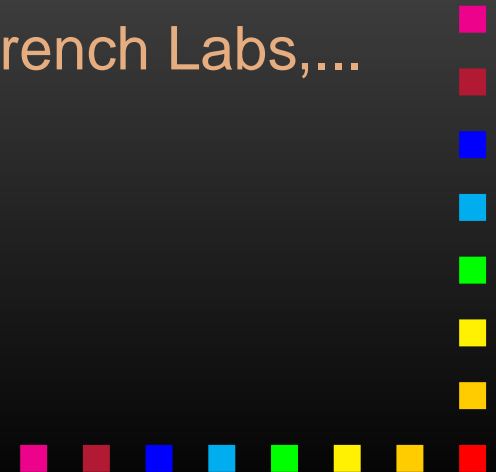

# *The HEPMAD Conference Series*

## ⇒⇒ Spirit

- Promote high-energy physics in Madagascar :  
Unique project in the Indian Ocean Region.
- Create and extend cooperation of Madagascar to  
other world laboratories :

Cern-Geneve, ICTP-Trieste, IN2P3-CNRS French Labs,...

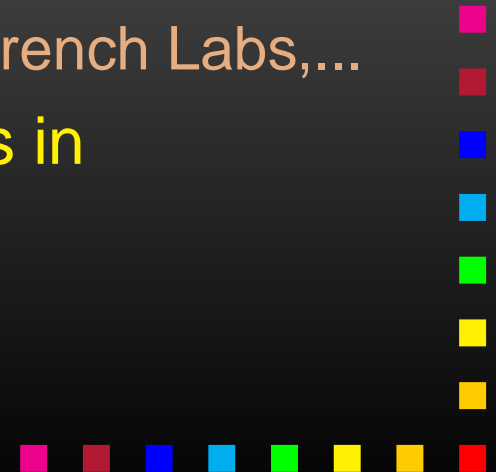

# *The HEPMAD Conference Series*

## ⇒⇒ Spirit

- Promote high-energy physics in Madagascar :  
Unique project in the Indian Ocean Region.
- Create and extend cooperation of Madagascar to  
other world laboratories :

Cern-Geneve, ICTP-Trieste, IN2P3-CNRS French Labs,...

- Formation of students and researchers in  
High-Energy and Astroparticle Physics

# *The HEPMAD Conference Series*

## ⇒⇒ Spirit

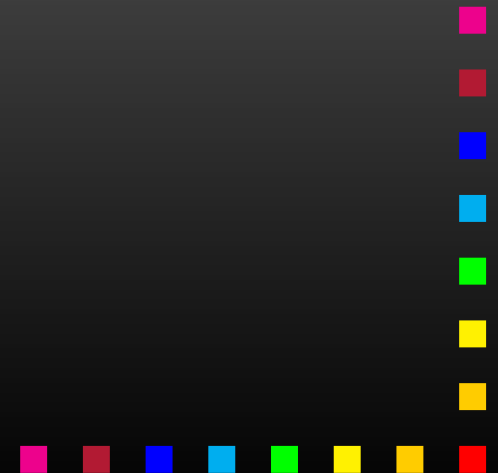

- Promote high-energy physics in Madagascar :  
Unique project in the Indian Ocean Region.
- Create and extend cooperation of Madagascar to  
other world laboratories :

Cern-Geneve, ICTP-Trieste, IN2P3-CNRS French Labs,...

- Formation of students and researchers in  
High-Energy and Astroparticle Physics
- Opportunity for Malagasy physicists to publish their  
works at the international level : Journées Nationales.

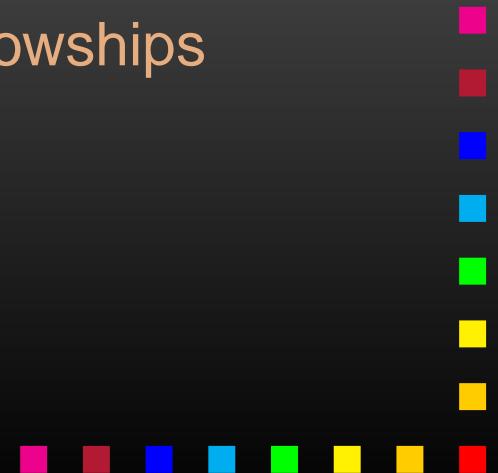

⇒ We need :

- To create an International Pole in High-energy and Astroparticle Physics in Madagascar : unique project in the Indian Ocean Region.

⇒ We need :

- To create an International Pole in High-energy and Astroparticle Physics in Madagascar : unique project in the Indian Ocean Region.
- Local for Offices, Fast Internet Connections, Budget for inviting Foreign Experts and Student-fellowships

⇒ We need :

- To create an International Pole in High-energy and Astroparticle Physics in Madagascar : unique project in the Indian Ocean Region.
- Local for Offices, Fast Internet Connections, Budget for inviting Foreign Experts and Student-fellowships
- Support from Government and International Institutes like already did : CERN & IN2P3 )

⇒ We need :

- To create an International Pole in High-energy and Astroparticle Physics in Madagascar : unique project in the Indian Ocean Region.
- Local for Offices, Fast Internet Connections, Budget for inviting Foreign Experts and Student-fellowships
  - Support from Government and International Institutes like already did : CERN & IN2P3 )
- A relatively cheap project within the possibility of the country

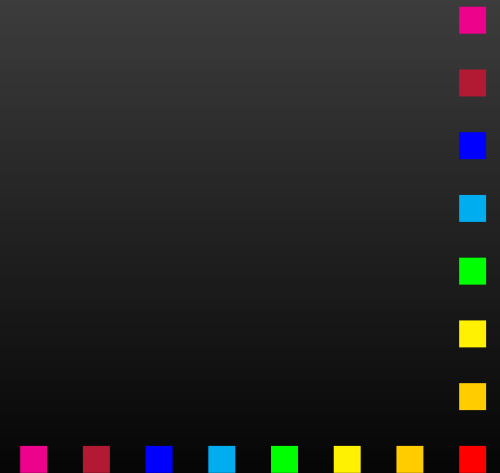

# *HEPMAD 07 ?*

# *HEPMAD 07 ?*

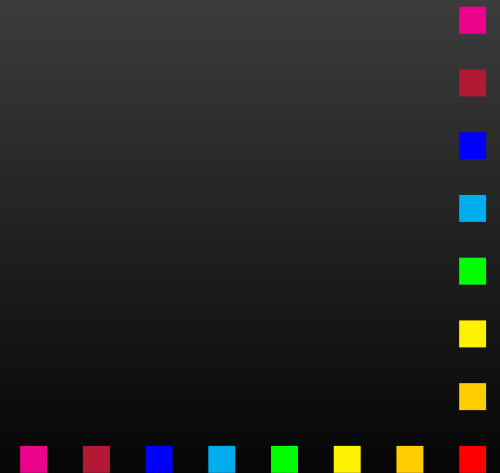

- Different Experts in these fields have presented the latest results.

# *HEPMAD 07 ?*

- Different Experts in these fields have presented the latest results.
- Malagasy physicists in some other fields have presented their recent works

# HEPMAD 07 ?

- Different Experts in these fields have presented the latest results.
- Malagasy physicists in some other fields have presented their recent works
- I wish that during meeting, Malagasy Students & Researchers have taken the opportunity to learn new topics and to create new collaborations !
