

Puzzled? With Sho Uemura

SLAC ASSOCIATION FOR STUDENT SEMINARS

SASS

OCTOBER 10, 2012 @ 12:30PM

KAVLI 2ND FLOOR CONFERENCE ROOM

Mechanical puzzles are intuitive, fun, and exist in wide variety. Some puzzles test your spatial reasoning. Some puzzles test your intuition and imagination. Some puzzles test your patience. Some puzzles are impossible, and some are even undecidable. A talk about toys where you don't get to play with toys! This will be terrible.
