

# WG1 Mid-Course Correction

PT for WG1

17-Aug-2005

# Schedule Changes

- We are no longer meeting in the Daly Room!
  - Too small
- Henceforth we will be in the following:
  - Erickson room (Conf Ctr) for our sessions
  - Hoagland room (Conf Ctr) for joint sessions with WG2/5
  - ? For joint session with WG4

# Schedule (2)

- Missed 2 out of 3 layout talks
  - Conflicts with other priority meetings
  - Time lost due to moving around Tues AM
  - General overrunning of the schedule
- Plan is to hear these talks during today's coffee breaks
  - Instead of 30 minute coffee break, WG will get coffee and head back to Erickson
  - Should be able to hear both talks today
  - If not, we'll try again tomorrow's coffee breaks!

# Today's Plan:

- 0930—1000
  - Layout talk + coffee in Erickson
- 1000—1100
  - CM vibrations with WG2 in Hoagland
- 1100—1200
  - Integrated simulations in Erickson
- 1330—1530
  - Integrated simulations + layout + coffee in Erickson

# Thursday's Plan

- 0830—1200
  - Linac beam dynamics with WG2 in Hoagland
- 1330—1430
  - Linac module with WG2/5 in Hoagland
- 1430—1530
  - GM + BDS with WG4 in ??
