Table with multiple columns and rows, containing data for L3 and CLTH_0.

Table with multiple columns and rows, containing data for BSYA_2 and B.

Table with multiple columns and rows, containing data for CLTH_1 and BSYA_1.

Table with multiple columns and rows, containing data for CLTH_2 and BSYH_1.

Table with multiple columns and rows, containing data for L2.

Table with multiple columns and rows, containing data for BC2.

Table with multiple columns and rows, containing data for BC1.

Table with multiple columns and rows, containing data for DL1_1.

Table with multiple columns and rows, containing data for DL1_2.

Table with multiple columns and rows, containing data for L1.

Table with multiple columns and rows, containing data for LO.

Table with multiple columns and rows, containing data for GUN.
