Table with multiple columns and rows, likely a data table for L3.

Table with multiple columns and rows, likely a data table for UNDS.

Table with multiple columns and rows, likely a data table for DMPS_1.

Table with multiple columns and rows, likely a data table for LTUS.

Table with multiple columns and rows, likely a data table for L2.

Table with multiple columns and rows, likely a data table for CLTH_0.

Table with multiple columns and rows, likely a data table for BC2.

Table with multiple columns and rows, likely a data table for CLTS.

Table with multiple columns and rows, likely a data table for CLTH_1.

Table with multiple columns and rows, likely a data table for BSYS.

Table with multiple columns and rows, likely a data table for BC1.

Table with multiple columns and rows, likely a data table for DLI_1.

Table with multiple columns and rows, likely a data table for DLI_2.

Table with multiple columns and rows, likely a data table for LI.

Table with multiple columns and rows, likely a data table for LO.

Table with multiple columns and rows, likely a data table for GUN.
