Table with multiple columns and rows, likely a data table for CLTH\_0.

Table with multiple columns and rows, likely a data table for BSYA\_2.

Table with multiple columns and rows, likely a data table for CLTH\_1.

Table with multiple columns and rows, likely a data table for BSYA\_1.

Table with multiple columns and rows, likely a data table for CLTH\_2.

Table with multiple columns and rows, likely a data table for BSYH\_1.

Table with multiple columns and rows, likely a data table for L2.

Table with multiple columns and rows, likely a data table for BC2.

Table with multiple columns and rows, likely a data table for BC1.

Table with multiple columns and rows, likely a data table for DL1\_1.

Table with multiple columns and rows, likely a data table for DL1\_2.

Table with multiple columns and rows, likely a data table for LI.

Table with multiple columns and rows, likely a data table for LO.

Table with multiple columns and rows, likely a data table for GUN.
