Table with multiple columns and rows, containing detailed data for L3 level.

Table with multiple columns and rows, containing detailed data for L2 level.

Table with multiple columns and rows, containing detailed data for BC2 level.

Table with multiple columns and rows, containing detailed data for BC1 level.

Table with multiple columns and rows, containing detailed data for L0 level.

Table with multiple columns and rows, containing detailed data for CLTH_0 level.

Table with multiple columns and rows, containing detailed data for CLTH_1 level.

Table with multiple columns and rows, containing detailed data for CLTH_2 level.

Table with multiple columns and rows, containing detailed data for BSYH_1 level.

Table with multiple columns and rows, containing detailed data for BSYH_2 level.

Table with multiple columns and rows, containing detailed data for LTUH level.

Table with multiple columns and rows, containing detailed data for DMPH_1 level.

Table with multiple columns and rows, containing detailed data for UNDH level.

Table with multiple columns and rows, containing detailed data for DMPH_2 level.

Table with multiple columns and rows, containing detailed data for GUN level.
