Legend:

- *Find & Appraise* = Assessment of records (all formats) and identification of appropriate retention periods
- *Processing* = Any handling of collections that contributes to making them more accessible. Includes boxing, foldering, arranging, describing archival records and preparing inventories
- *Reference* = Assisting on-site and remote researchers by locating, retrieving and reshelving information and materials
- *Provide Intellectual Capital* = Prepare and package history of SLAC in various formats for various audiences
- *Other hours* = Meetings, training, colloquia, administrative and supervisory tasks, etc.
- *Accessions* = Batches of records (of varying volume) received at the same time from the same creating person or office, and handled as a single intellectual unit by the AHO
- *Disposal* = Temporary records that have reached the end of their retention period and are recycled or shredded, as appropriate
- *Products received* = Copies or notifications of publications, webpages, etc. using materials located and provided by AHO
- *Outreach* = Presentations and interviews by AHO staff, Archives Month activities, etc.
