

MINUTES OF PROJECT M MEETING NO. 49

Date: May 20, 1960

Place: Room 101, Physics Lecture Hall

Present: Eldredge, Snyder, Copenhagen, Prosper, Breymayer, Goerz, Panofsky, Ginzton, Mallory, Neal, Jasberg, Jones, Cain, Bunker, Pope, Chu, Crabtree, Brady, Kraus, Edwards, Lebacqz, Jespersen, Loew

Next Meeting: May 27, same time, same place
Mr. Helm will present a discussion on Beam Dynamics

I. New Building

Mr. Copenhagen announced that the Stanford Board of Trustees had authorized a new building in which it is expected that all of the Project M people will live, except those associated with Mark IV, and Panofsky and Mozley. Occupancy of the new building is planned for about January 1, 1961

II. Talk on Phasing

Mr. Goerz resumed and completed his talk on the phasing requirements for Project M.
