I. Project M Source Book

Mr. Kirk said that the Project M Source Book would be issued next week, with about 8 of its 24 sections included. Writers who have not yet written are urged to do so. The source book is to be considered an internal document. Mr. Kirk will be responsible for distribution of copies.

II. Budgets

Mr. Pindar and Mr. Ginzton discussed the budgets that are now being prepared for the \$3 million that we expect to come by eventually.

III. Talk on Beam Dynamics

Mr. Helm presented a talk on the subject of beam dynamics. He and Mr. Chu will continue with this topic at the next meeting.
