

MINUTES OF PROJECT M MEETING NO. 69

Date: 3 November 1960

Place: Room 370, Physics Department

Present: Pindar, Ginzton, Breymayer, Rickansrud, Turner, Moulton, Kinst, Gould, Gallagher, Eldredge, Chu, Cain, Neal, Field, Dome, Helm, Yale, Volpe, Manlove, Veldhuizen, Yingst, Copenhagen, Solmonson, Prosper, Brady, Snyder, Crabtree, McKinney, Beardsley, Fowkes, Schwartz, Loew, Brown, Christie, Williams, Goerz, Leeman, Mallory, Jasberg, Meloni, Altenmueller, Hirel, Johnston, Kefauver, Honoré, R. Jones, Mousely, Edwards, Jones, Kraus, Kirk, Bunker, Dedrick, DeStaebler

I. Administrative matters

Messrs. Ginzton, Pindar, and Field talked about the possible conflict-of-interest information that will have to be supplied by each of the members of the project. The forms upon which this information is to be recorded were passed out to everyone at the meeting

II. Power interference

Mr. Edwards gave a brief summary of the possible power interference problems that are now being investigated. This subject will be treated at more length at a later time.

Next Meeting: NOTE DIFFERENT DAY - FRIDAY - NOVEMBER 11 in Room 370, Old Physics at 4:00 PM. Mr. Brown will talk on Control.
