

MINUTES OF PROJECT M MEETING No. 73

Date: December 8, 1960

Place: Room 104, Physics Lecture Hall at 4:00 p.m.

Present: Loew, Neal, Eldredge, Breymayer, Kirk, Jones, Beardsley, Copenhagen, Gallagher, Gould, Meloni, Whitson, Lebacqz, Cain, Bunker, Helm, Brown, Dome, Christie, Chu, Pope, Turner, Goerz, Strahl, Crabtree, Williams, Edwards, Willson, Kinst, Hirel, McKinney, Yingst

I. Talk on AEM activities

Mr. Copenhagen described the selection process that has been going on to pick a firm (or several firms jointly) that will take on much of the responsibility for plant design and management of construction. The selection has not yet been made, but soon will be.

Mr. Gould described the present status of the site planning work.

Next meeting: December 15th, same time and same place. Mr. Pindar will discuss the new 363 contract and some of its provisions.
