Update on SLAC Gear Orders

A technical glitch has surfaced in the on-line ordering system resulting in a shipping charge being shown on all orders placed through the on-line form. Regardless of what the form says, orders placed before December 4 that have a SLAC mailing address will indeed receive free shipping as promised.

If you have an upcoming conference that you would like to have announced on the SLAC Welcome Page, you may now submit it via a web-based [Conference Announcement Form (SLAC only)](http://www-project.slac.stanford.edu/slacrace). Limited to SLAC-sponsored conferences, whether they are held on site or elsewhere.
