As employees of SLAC, we are in the best position to recruit new staff for the lab. Now we can get a bonus for our efforts. The range is $200 up to $4,000 depending on the level of the position being recruited. Restrictions apply, so check with Larry Peckler in HR for the details x2733 or look at the May 17 issue of the Bulletin. And start chatting up your friends.

Anyone Out There Remember?

A neighbor of SLAC named Bob Swezey is very interested in pursuing information about surplus Navy cannons that were used as landfill and shielding during Lab construction in the mid-1960s. So far, we've heard from Dave Coward and Ralph Nelson and we'd be happy to gather more information on the subject. Email Swezey at tgabob@aol.com.

With about 3000 of her close friends, Librarian Molly Moss will bicycle in the 7th annual California AIDS Ride, June 4-10. Over 7 days, they will cover about 570 miles from San Francisco to Los Angeles in a fund raising effort. "When I was first thinking about doing this ride, I was having a hard time riding 9 miles home from work but in the last couple of months, I have completed two century (100 mile) rides. I am riding in memory of my uncle who passed away in 1996," said Moss. Moss is rider number 3287. Pledges can be made online at: https://www.weborder.com/cgi-weborder/secure_form/sfaf/carfrm.html?3287 or print out pdf pledge forms at: http://www.sfafpledge.org/images/sf_form.pdf.
