A Real 49er

July 1 marks Pief Panofsky's 49th anniversary of his career at Stanford. He got his PhD from Cal Tech in 1942 and did time at UC Berkeley as a professor. Being farsighted as he is, he recognized that Stanford was the place to be and came here in 1951.

Walkers Wanted

SLAC Medical has some people who want to start a walking club. Walks would be arranged at convenient times for those who are interested, so contact Kristin Lauria at ext. 4588 for more information.

BJ's Day in the Sun

Plan now to attend a celebration of James Bjorken's contributions to physics. The date is Saturday, September 16, and the program starts and ends at SLAC, with an interesting divergence in between. You can see the program and register online.

Weight Watchers Open Meeting

There are currently some openings in the Weight Watchers group at the Lab. There's an open meeting which anyone can attend on July 10 from noon to 1:00 PM in Bldg. 41 (A&E) Room 223. The group has been going since last July and it needs new members to replace those who have attained their goals. For more information contact Gloria Labrador at ext. 4383.

New Employee Orientation

Those of you who are new to SLAC, or even not so new, might enjoy the orientation session scheduled for July 19 from 9:00 AM to 10:30 AM in the Training Center. There's an optional tour afterwards. Make a reservation with Lynn Thanash at ext. 2265.

SLAC Gets A's

The Stick is gone and Pac Bell is sold out this season, so the annual SLAC Day at the Ball Game will be in Oakland to watch the A's against the Red Sox on July 30. We'll have the usual bus service from SLAC. A web announcement will be posted soon.

New Location for Ombudsperson

Ombudsperson Ellen Waxman has moved to the Central Lab Annex, Building 84, Room B217, ext. 3826.
FleaMarket

You can post your classified ad using the SLAC FleaMarket Submission form. You can get to the current ads from the Announcements section on the SLAC Home Page. These pages can be viewed from computers within the SLAC domain.
