Once again Lynbrook High School in San Jose has asked us to participate in the job shadow program. Dates chosen for this year are Tuesday, April 10; Wednesday, April 11; or Thursday April 12. The time slot is from 9 am to noon. If you are interested in participating in this program, please contact P.A. Moore at ext. 2605 or email at xanadu@slac.stanford.edu.

Stanford Friends Referral Program

“Stanford Friends” is a new effort to encourage Stanford employees to recruit their friends to open, posted staff positions. Eligible staff and faculty may refer anyone not currently working at Stanford to any open, posted staff position. If that friend is subsequently hired at Stanford, upon their 91st day of employment, the referring employee receives a $750 referral award. The referring...
employee must still be employed at Stanford to receive the award, too. Some especially difficult to fill staff positions may have an additional, local referral award.

Garden Club Update

After serving as Garden Club President for eight years and yet another relocation of the garden (the second in 6 or 7 years) Ruth McDunn has handed over the responsibilities of the club to Jeff Corbett. With the construction of the new user lodging, the garden is moving just east of its current location. Corbett and a team of others are working hard to get the location ready for this year's planting season. For more information about the club or to sign up for a plot, contact Corbett at ext. 3645 or view the club Web site.
