A 30 Second Pause Can Save a Life

Drivers turning right into SLAC should read the following quote from a fellow driver: "Nearly every day, as I'm driving eastbound on Sand Hill Road, from I-280, I see cars merging into the bike lane WAY before the dotted line. Nine times out of ten, they turn into the SLAC driveway without looking to see if they are cutting off a cyclist."

Madam Vice President

Helen Quinn has been elected 2002 Vice President of the American Physical Society. She will become APS President-Elect in 2003 and President in 2004. Helen is the fourth physicist from SLAC to be elected to this office. Pief, Sid, and Burt are all past presidents of the Society.

SSRL Physicist Featured

The latest edition of the DOE Pulse has a feature article on a Joachim Stöhr, SSRL Deputy Director.

Friends Mourn Father Tim

We are deeply saddened by Tim Toohig's unexpected death at SLAC on Tuesday, September 25. Please watch the Announcements for the SLAC memorial service.

Young Physicists Invited

To the first Young Particle Physicists' meeting at SLAC which will be in the Orange Room on Friday, Oct. 5 at 1:30 pm. The meeting's goal is to organize a local chapter of the international YPP. Contact Ben Brau, ext. 2307, for further information.

And the Score was 62

In a report published by researchers at Brown University that analyzed the content and useability of federal and state government websites, DOE was ranked in the top 20 sites, tied with GSA and NASA.

Should Someone Tell Letterman?

Parents of babies and messy-fingered toddlers develop a level of expertise in moist towelettes that most of us would not envy. The Moist Towelette Online Museum takes the appreciation of this invention to a bizarre level. Unused contributions are welcomed.

FleaMarket
You can post your classified ad using the SLAC FleaMarket Submission form. You can get to the current ads from the Announcements section on the SLAC Home Page. These pages can be viewed from computers within the SLAC domain.
