Compliance Congratulated

The close-out of January's Hazardous Materials Inspection by San Mateo County went 'very well'. Irene Boczek, Associate Director for ES&H, thanks all employees for this outcome. It reflects how diligently SLAC staff have cared for our environment through an 'excellent' waste management program. According to Irene, the Inspector told the close-out group that "...in her three years of inspecting she had only found 10 facilities that did not warrant an Order to Comply - now we are number 11!"
