GLAST Glory

Persis Drell reports that GLAST's DOE Lehman Review was a success. GLAST passed with flying colors. Kudos to all involved-the grueling pre-Lehman review shepherded by Marty Breidenbach really paid off!

Family Day

Register now (at least before August 30th to order your T-shirts) for what's looking to be a real blow-out Family Day event.

Gold from Alfalfa

Is the title of the SLAC article in this edition of the DOE Pulse.

Resource Factoid

The typical U.S. office worker uses about 10,000 sheets of copy paper each year. How much paper is 10,000 sheets? In one large stack, 10,000 sheets of unused paper weighs about 100 pounds and rises just over 4 feet (for a variety of reasons, as you use paper it takes up more space).
