Open Enrollment Update

Definity Health plan will no longer be included as a health care option for 2003 Open Enrollment. Their contract with Stanford has been terminated. SLAC's Benefits Fair is Thursday, November 7, from 10 a.m. to 3 p.m. in the Auditorium Breezeway. If you haven't received your 2003 Open Enrollment Guide by November 7, contact the SLAC Benefits office (ext. 2356).

Traffic Impacts this Weekend at SLAC

This just in from SEM: Traffic entering SLAC on Saturday, November 2, 2002 may be subject to delays due to irrigation trenching across both lanes, entrance and exit. Flagmen will direct traffic.

The Scoop on CP Violation

The upcoming SLAC Colloquium on Monday, Nov. 4 looks to be a great talk. Professor Yossi Nir of the Weizmann Institute will speak on "CP Violation: A New Era" at 4:15 p.m. following refreshments at 3:45 p.m. in the Panofsky Auditorium. See more seminars here.

SLAC in the News: TV and Print

KNTV reporter Scott Budman's report on SLAC is now available on the Web in our Streaming Media area. In addition, this week's San Jose Mercury News ran an article on the Lab: Powerful Collider is Goal of Physicists Worldwide.

Cool Link of the Week: Why Things Go Bump in the Night

Here's a Halloween science special: Ever wonder why being afraid gives you that creepy feeling in the pit of your stomach? Or why some thrill-seekers love to take risks? This fun little Web site explains the science behind some scary phenomena.
